Delta
COMMUNITY
FOUNDATION

The Delta Community Foundation is a nonprofit organization dedicated to enhancing the well-being of the local community. We bring together donations from individuals, families, businesses, and organizations to support charitable causes across Delta. Our Foundation provides grants to local nonprofits that address the unique needs of Delta, such as education, healthcare, the arts, and social services. Last year we donated \$601,642 to support Delta's most pressing needs.

“ We believe that all charities in Delta are deeply committed and make a tremendous impact on the community. What ultimately stood out to us was that by working with the Delta Community Foundation, we could support and make a difference for all of these incredible charities at once.
